

Modifying with real-life roles/perspectives

Example: Civil War tiered assignment

- **Tier 1:** You are a soldier for either the North or the South. The date is _____ and you have just fought in the battle at _____. Write a letter to your mother about what happened today and how you feel about it.
- **Tier 2:** You are a soldier for either the North or the South. The date is _____ and you have just fought in the battle at _____. Write a letter to either General Lee or General Grant telling him your perspective about what happened today and what you think his side should do. Be sure to include the reasons for your opinions.
- **Tier 3:** You are a soldier for either the North or the South. The date is _____ and you have just fought in the battle at _____. Write a letter to citizens of Iraq, or another country facing internal conflict, using evidence from this battle to suggest what they should do concerning their country's civil war.
