# Vegetable Orders Receipts

**Directions:** Jane, Beverly, Michael and Joseph have paid for their two vegetables and need a receipt for the amount paid. Each person gave \$2.00 to the clerk and will receive change back. Complete the receipts by listing the two vegetables that each person chose, the cost of each vegetable, the total cost for the two vegetables, and the change received back. Number each receipt from the least to the greatest cost by placing a number from 1 to 4 in the circle at the top of the receipt.

Who paid the most for their vegetables? \_\_\_\_\_

Who paid the least for their vegetables? \_\_\_\_\_
